

How to Access JumpStart Tax Compliance Status

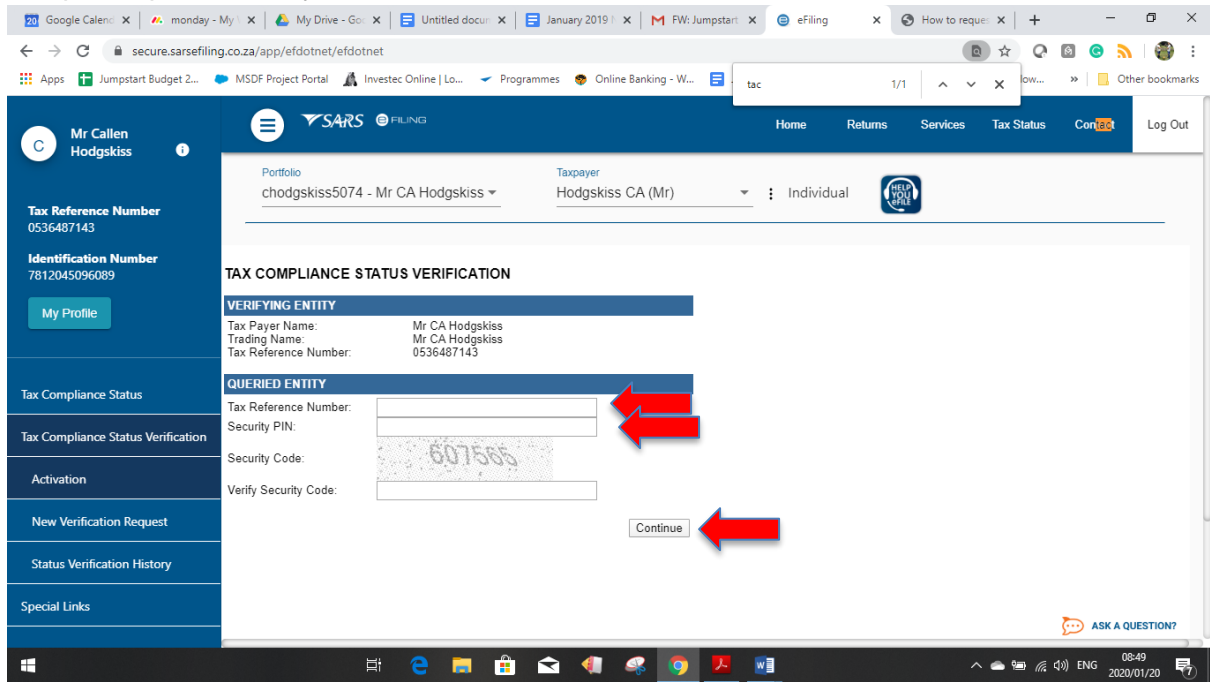

- 1) Log into your own or companies tax profile on eFiling
- 2) Click on word "Tax Compliance Status" on your home page
- 3) Click on Tax Compliance Status verification on left hand bar

- 4) Click on Activation to Activate the TCS service, then click continue

5) Input JumpStart Income Tax (IT) Number and Security PIN as in the SARS letter JumpStart provided to you and click continue

5) The result will bring up JumpStart's tax compliance status which indicates we are in good standing
